Also search Kids Heart Challenge in the app store on your mobile device. Get a jump start by registering today!

Deerfield is kicking off this year's Kids Heart Challenge on 1/20/2023.

Students and families, it's that time to show some heart! This year is the 5th year for the **AHA Kids Heart Challenge**. It is your child's chance to be a Heart Hero by learning about heart health, spreading the word and raising funds to save other children. This year we will be challenging ourselves in a Warrior Obstacle Course Challenge during originally scheduled PE class times February 13-15, 2023.

Students will receive a KHC donation envelope by Friday 1/20/2023. If you did not or if you misplaced your envelope, you can click on this link [KHC Guide to Get Started](#).

You can click on the web address listed above, scan the QR code, or go to the mobile phone app so you can email family and friends to ask for donations.

Your child will earn a KHC wristband just for registering online. When they receive donations, they will also receive gifts based on the amount of the donations received. Our school could also receive funds to help add new equipment to our PE program!

Thank you for supporting the physical and emotional well-being of our students, Deerfield Elementary, and the American Heart Association.
