Let's get ready for this year's Kids Heart Challenge - Virtually! Parents & students, it's that time for your child to show heart! This year is the 3rd year for the Kids Heart Challenge. It is your child's chance to be a Heart Hero by learning about heart health, spreading the word and raising funds to save other children. This year we are having a Virtual Family Dance Challenge so work on those dance moves and we will see who's the best Deerfield Dancing Family!

You should have received a KHC donation envelope during parent pick-up on 1/13/2021. If you did not or if you misplaced your envelope, you can click on this link [KHC Virtual Envelope](#) for your guide to get started.

You can also have your child go to the web address listed above or the mobile phone app so they can email family and friends to ask for donations.

Your child will earn a KHC wristband just for registering online. When they get donations, they will receive gifts based on their donations.

Thank you for supporting the physical and emotional well-being of our students and the American Heart Association.
